
The Journal of Chiropractic Education

VOLUME 15, NUMBER 1

SPRING 2001

vii **Peer Review Information and Acknowledgments**

ABSTRACTS OF ACC CONFERENCE PROCEEDINGS

Platform Presentations

- 1 Life University's Involvement and Participation in the World Health Organization's Tobacco Free Initiative and Framework Convention on Tobacco Control
Medhat Alattar, Sid E. Williams, Gary Auerbach, and Ronald Kirk
- 2 Student Autonomy in Learning: Chiropractic Students' Perceptions of Locus of Control in Their Academic Successes and Failures
Jennifer E. Bolton
- 3 Undergraduate Students' Attitudes Towards and Perceptions of Research and Research-Related Activities
Jennifer E. Bolton
- 4 History and Evaluation of a Chiropractic College's Employee Wellness Program
Karen Boulanger-Mihan and Patrick Goff
- 5 The Professional Development Plan: A Tool for Meeting Faculty Aspirations and Enhancing Institutional Mission
Glenn F. Fried and Christopher J. Good
- 6 Developing a Community-Based Educational Program for Older Patients
Brian Gleberzon
- 7 A New Model for Classifying and Evidencing Faculty Work in Chiropractic Education
Christopher J. Good and Glenn F. Fried
- 7 A Practice-Oriented Approach to Teaching Health Concepts Related to Chiropractic
Bart N. Green
- 8 Letters to the Editor for Teaching Critical Thinking and Professional Communication
Bart N. Green
- 9 Utilizing Computer Graphics to Enhance Student Comprehension of Radiographic Imaging
Dennis Homack
- 10 Development of an Occupational Health Course for the Chiropractic Student
Dennis Homack

- 11 The Effect of a Rehabilitation Exercise Program on Head Repositioning Accuracy and Reported Levels of Pain in Chronic Neck Pain Patients: A Pilot Study
P. Irgens and K. Humphreys
- 12 A Web-Based On-line Daily Health Diary: A Feasibility Study
Cynthia R. Long and Scott Morschhauser
- 13 The Importance of Student Evaluations in Assessing Faculty Teaching: A Review of the Literature
Dennis M. Marchiori
- 14 Issues Faced in Developing and Implementing an On-line Postgraduate Educational Program
Sherry McAllister and Kevin McCarthy
- 15 The Effect of Group Case Study on Chiropractic Students' Appreciation, Knowledge, and Confidence in Prescribing Therapeutic Exercise and Nutrition for Patients
Joseph A. Miller and Robert Ruddy
- 16 Assessing Success in Masking Patients to Treatment Group Assignment in the Sham-Controlled Chiropractic Clinical Trial
Elaine Morschhauser, Cynthia Long, and Cheryl Hawk
- 17 Formative Peer Review of Course Delivery: Planning Process and Application
Rita Nafziger and Paul Mullin
- 18 Alternative Curriculum Delivery: Student and Faculty Reaction to On-line Instruction
Judy Silvestrone and Elizabeth Larzelere
- 19 Enhancing the Learning Environment through Qualitative Evaluation
John Stites
- 20 Influence of Student Study Methods on Outcomes of Physical Examinations Skills Assessment
Robert W. Ward
- 21 Exercise Recommendations by Chiropractors and Standards of Care
Anne-Marie M. Weinert and Dan Weinert
- 22 The Effect of Chiropractic Manipulation on Salivary Cortisol Levels: A Pilot Study
Tara L. Whelan, J. Donald Dishman, Jean Burke, Seymour Levine, and Veronica Sciotti

Poster Presentations

- 23 Exploratory Study of Student Confidence Related to Methods of Instruction
Michael Bovee and Donald F. Gran
- 24 Increasing the Chiropractic Graduate's Research Competency without Increasing Curricular Content: Can Chiropractic Institutions Do It?
Thomas L. Carpenter
- 25 Life's Clinical Excellence Program: A Comprehensive Quality Assurance Program
Scott Earley, Ronald Kirk, and Deborah Pogrelis
- 26 Enhancing the Third-Year Intern Clinical Experience: Procedures and Protocols for Supervised On-Site Chiropractic Care at Athletic Events
J. Russell Ebbets
- 26 Using Senior Undergraduate Students as Instructors: A Scandinavian Model for University Teaching
René Fejer and Niels Grunnet-Nilsson

- 27 Chiropractic Program Admissions Criteria as an Indicator of First- to Fourth-Year Academic Performance.
Ian Fraser, Ron Saranchuk, and Michelle James
- 28 Faculty Evaluation into the New Millennium: An Evolving Process
Christopher J. Good and Glenn F. Fried
- 29 Predicting Success in the First Year of Chiropractic College
Bart N. Green and Claire Johnson
- 30 The Unsubstantiated Claims of the Largest State, Provincial, and National Chiropractic Associations and Research Agencies
Jaroslav Grod, David Sikorski, and Joseph C. Keating, Jr.
- 30 Analyzing the Neurological Interference Component of the Vertebral Subluxation with the Use of Pattern Analysis: A Case Report
John F. Hart
- 31 From Needs Assessment to Satisfaction Inventory: One Student Services Department's Use of Chiropractic Student Feedback
Steve Haslund and Toilynn Carson
- 32 Considerations of Digitally Compressed Diagnostic Images Intended for Instructional Use
Dennis Homack
- 33 Implementing Patient Outcome Assessment Procedures in a Chiropractic College Outpatient Health Center: Utilizing Patient Questionnaires and Case Reporting to Measure Results of Patient Care and Ensure Adequate Supervision of Interns
Michael E. Howard and Vincent Loia
- 34 Spinal Cord Intradural Plaques and Back Pain
Stephen P. Larsen and Alexandr Makarov
- 34 Accessible and Reactive Support for Effective Use of Computer Technology
Elizabeth Larzelere
- 35 An Investigation of the Peripheral Trigeminovascular System: Nasal Lavage as an Objective Diagnostic Tool in Migraine: A Pilot Study
Parvaneh Mohammadian, and Thomas Carpenter
- 36 Life University College of Chiropractic Clinical Certification Program: An Innovative Approach to Clinical Education
Deborah Pogrelis, Sid E. Williams, Scott Earley, and Cynthia Boyd
- 37 Evaluation of Motion and Still Images as a Learning and Assessment Tool
James Provoost
- 38 Survey of Demographics, Research Activities, Training Needs, Departmental Support, and Career Intentions of Junior Academic Chiropractors
David Skyba, Chutima Phongphua, and Cynthia Long
- 38 Chiropractic Interns Teach Health Promotion through Hands-on Care to Mentally Ill Chemical Abusers
Lana Slinkard
- 39 The Use of Flexion–Distraction Procedure in the Management of an Acute Lumbar Disc Herniation: A Case Report
Larry L. Swank and Julie A. Schrad
- 40 Use of the Computer to Manage the Curriculum and to Facilitate Student Learning in Chiropractic Education
Robert M. Waterson

- 41 Student Performance on and Attitude toward an Examination that Challenges Answer Confidence
Dan Weinert and Anne-Marie Weinert
- 41 Cervical Arthrosis: Influencing Factors of Biomechanical Stress, Location, Frequency, Age, and Gender within a Symptomatic Group
Ray Wiegand, Norm Kettner, and Deborah Brahee
- 42 The Effect of Chiropractic Adjustment on Body Surface Electromagnetic Field
John Zhang and Brian J. Snyder
- 43 The Effects of Auriculotherapy on Short-Term Heart Rate Variability in Normal Human Subjects
John Zhang, Brian Harasha, Jenica Mignogna, and Nelson Marquina
- 45 **Letter to the Editor and Reply**
