

Peer-reviewer acknowledgements for the Association of Chiropractic Colleges Research Agenda Conference 2017

Dana J. Lawrence, DC, MMedEd

The DC2017 program, with the Association of Chiropractic Colleges Research Agenda Conference (ACC-RAC) 2017 held within it, is a huge undertaking involving many organizations and many more people. The process of selecting papers occurred as it has in past years with ACC-RAC. Reviewers this year were sent up to 10 abstracts to review. This year was the first in which a longer expanded abstract was not required, in recognition of the higher number of submissions that were expected to be received and the larger workload this would require of reviewers. That the reviewers did an excellent job is without question, and I am incredibly grateful. I thank all of the volunteer reviewers here: Medhat Alattar, Robert Appleyard, Christopher Arick, Iben Axen, Samir Ayad, Barclay Bakkum, Jennette Ball, Angela Ballew, Deborah Barr, Jason Bartlett, Patrick Battaglia, Edward Bednarz, Judy Bhatti, Charles Blum, Karen Bobak, Ron Boesch, Breanne Bovee, Linda Bowers, James Boysen, Rick Branson, Teresa Brennan, Joseph Brimhall, Thomas Brodar, Leo Bronston, Myron Brown, Thomas Brozovich, Paul Bruno, Jeanmarie Burke, Kara Burnham, Andre Bussieres, Alana Callender, Jerrilyn Cambron, Marni Capes, Beth Carleo, Jonathan Carlos, Annick Champagne, Cynthia Chapman, Michael Ciolfi, Jesse Coats, Richard Cole, Alena Coleman, Christopher Colloca, Stephan Cooper, Elaine Cooperstein, Robert Cooperstein, Matthew Cote, Pierre Cote, Heidi Crocker, Christina Cunliffe, Brian Cunningham, Stuart Currie, Dwain Daniel, Clinton Daniels, Vincent DeBono, James Demetrious, Martin Descarreaux, James DeVocht, Renee DeVries, Scott Donaldson, Karol Donaubauer, Paul Dougherty, Erin Ducat, Stephen Duray, Jonathan Emlet, Roger Engel, Melissa Engelson, Dennis Enix, Susan Esposito, Ana Facchinato, Mary Frost, Ricardo Fujikawa, Matthew Funk, Karen Gana, Charles Gay, Ronald Gefaller, Gene Giggelman, Craig Gillam, Brian Gleberzon, Jordan Gliedt, Christine Goertz, Christopher Good, Kenice Grand, Stephen Grand, Thomas Grieve, Jaroslaw Grod, Tim Gross, Joseph Guagliardo, Maruti Ram Gudavalli, Tim Guest, Michael Hall, Marcy Halterman-Cox, Michael Haneline, David Hannah, Linda Hanson, John Hart, Daniel Haun, Navine Haworth, Xiaohua He, Glori Hinck, Kathryn Hoiriis, Aimee Hollander, Nicole Homb, Todd Hubbard, Laura Huber, Kelley Humphries, Adrian Hunnisett, Thomas Hyde, Jennifer Illes, Theodore Johnson, Aimee Jokerst, Gena Kadar, Martha Kaeser, Greg Kawchuk, Norman Kettner, Yasmeen Khan, Stuart Kinsinger, Anupama Kizhakkeveetil, Carolina Kolberg, Charmaine Korporeal, Thomas Kosloff, Danik Lafond, William Lauretti, Dana
